6. What is the DoubleTree Cookie Story?

The tradition of providing two chocolate chip cookies at check-in started eight years ago when a long-time DoubleTree history of greeting VIPs with milk and cookies was expanded to include every guest. The hefty, 2 oz., incredibly rich cookies are baked fresh daily right here in our kitchen from the original recipe. The cookies have won such praise from customers nationwide that DoubleTree started selling their custom-made cookies "to go" at the front desk and in their restaurants. Today you can have these popular cookies delivered anywhere in the United States!
